

SAFETY DATA SHEET

SPICE FRIED POWDER

SDS No. 048-1

1. PRODUCT AND SUPPLIER IDENTIFICATION

Ingredient: See section 3	Name and address of manufacturer:
CAS number: N/A	VEDAN VIETNAM ENTERPRISE CORP., LTD
EC number: N/A	National Road 51, Hamlet 1A, Phuoc Thai Village, Dong Nai Province, Vietnam
Common name of the substance: See section 3	Tel: (+84)251-3825111,
Trade name:	Fax: (+84)251-3825138
	Emergency phone number:(+84)1800.599.902
Recommended use: Used as a material for blending with other fried powder products in the production of frozen food.	Contact address in case of emergency:
	VEDAN VIETNAM ENTERPRISE CORP., LTD
	Tel: (+84)251-3825111,
	Emergency phone number:(+84)1800.599.902

2. HAZARDS IDENTIFICATION

a) GHS classification and information classified in accordance with available valid data provided by countries, areas or testing organizations

Does not contain components classified as hazardous substances.

b) GHS label elements

No data available.

c) Other hazards

No data available.

3. COMPOSITION/INFORMATION ON INGREDIENTS

Ingredient:

- Wheat flour,
- Tapioca starch,
- Tapioca starch pregel,
- Garlic powder,
- Sugar,
- Salt,
- White pepper powder,
- Flavor enhancer (621),
- Synthetic color: Beta-Carotene (Maltodextrin; Sucrose; Beta-Carotene, Blakeslea trispora (160a(iii))),
- Natural and nature-identical meat flavor powder,
- Stabilizer (Disodium carbonate – 500(ii)).

4. FIRST-AID MEASURES

a) Measures relevant to the route of exposure

- Accident in case of eye exposure (splashed, touched on the eyes): Rinse out with plenty of water with the eyelid held wide open. Immediately take to eye specialist.
- Accident in case of skin exposure (touched on skin): Wash off with water/shower.
- Accident in case of respiration exposure : Immediately remove the affected individual from the contaminated area to an area with fresh air. If the person exhibits severe symptoms such as difficulty breathing, persistent coughing, or chest pain, or transport the person to a medical facility as soon as possible.
- Accident in case of ingestion exposure: Although the spice fried powder is a food-grade product safe for consumption, it contains wheat flour. If the affected individual shows signs of an allergic reaction to any component of the product or feels unwell, seek medical advice or transport the person to a medical facility as soon as possible.

b) Most important symptoms/effects, acute and delayed

No data available.

c) Indication of immediate medical attention and special treatment needed

No data available.

5. FIRE-FIGHTING MEASURES

a) Suitable extinguishing media

Using all available means for extinguishing a fire.

b) Toxic substances emitted from fires

Nitrogen oxides, CO, CO₂, smoke and unidentified organic compounds may be formed during combustion.

c) Special protective equipment and precautions for fire fighting.

Suitable extinguishing media are stored in the immediate neighborhood. Do not stay in the danger zone without suitable protection clothing and self-contained breathing apparatus.

6. ACCIDENTAL RELEASE MEASURES

a) Personal protective equipment and emergency procedures

Personal protective equipment: See section 8.

Emergency procedures: Prevent from spreading or entering drains, ditches or rivers by using sand, soil, or other appropriate barriers. Inform the local authorities if the spill is not controlled. Avoid generation of dusts; do not inhale dusts.

b) Environmental precautions

Avoid creating and spreading dust.

c) Methods and materials for containment and cleaning up

Clean up affected area.

7. HANDLING AND STORAGE

a) Measures and requirements for safe handling

Need to equip personal protective according to item 8.

b) Measures and requirements for safe storage

Store product in a tight packaging, in a cool and dry place. Keep away from the direct sunlight.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

a) Control parameters

The product does not contain any substances that need to control limit values of occupational exposure.

b) Appropriate engineering controls

Protective equipment should be selected specifically for the working place. The resistance of the protective equipment to product should be ascertained with the respective supplier.

c) Individual protection measures and personal protective equipment

- Respiratory protection: Required when dusts are generated.
- Eyes/Face protection: Required when dusts are generated.
- Hand protection: Use recommended.
- Hygiene measures: General industrial hygiene practice.

9. PHYSICAL AND CHEMICAL PROPERTIES

a) **Physical state:** Powder.

b) **Boiling point (°C):** N/A (product in powder form).

c) **Color:** White.

d) **Melting point (°C):** Not applicable.

đ) **Particular odour:** Characteristic of the product.

e) **Flash point (°C) by determination method:** Not applicable.

g) **Vapor pressure (mm Hg) at standard temperature, pressure:** N/A (product in powder form).

h) **Self-ignition temperature (°C):** Not applicable.

i) **Gas proportion (air = 1) at standard temperature, pressure:** N/A (product in powder form).

k) **Upper flammability/explosive limits (% of mixture with air):** Not applicable.

l) **Solubility in water:** No information.

m) **Lower flammability/explosive limits (% of mixture with air):** Not applicable.

n) **pH:** 5.0 – 7.0

o) **Evaporation rate:** N/A (product in powder form).

p) **Relative density (kg/m³):** No information.

q) Other properties (if any): No information.

10. PRODUCT STABILITY AND REACTIVITY

a) Possibility of reactions

No information.

b) Stability (heat resistance, sensitivity to the effects of friction, shock, etc.)

Stable under recommended conditions of use and preservation.

c) Dangerous reactions (corrosion, fire, explosion...)

No hazardous reactions under normal conditions of use and storage.

d) Conditions to avoid (Ex: electrostatic, vibration, shaking ...)

No hazardous reactions under normal conditions of use and storage.

d) Incompatible materials

No information.

e) Decomposition reaction and products of the decomposition reaction

No information.

11. TOXICOLOGICAL INFORMATION

a) Information about the likely routes of exposure

- Accident in case of eye exposure: Causes mild eye irritation, resulting in symptoms such as redness, itching, and tearing.
- Accident in case of skin exposure: Does not cause problems for most individuals. However, prolonged exposure or contact with damaged skin may cause mild skin irritation.
- Accident in case of respiratory exposure: As a powder product, dust generation may cause respiratory irritation leading to coughing.
- Accident in case of ingestion: Although the spice fried powder is a food-grade product safe for consumption, individuals allergic to wheat may experience adverse allergic reactions upon exposure to this ingredient.

b) Symptoms related to product, toxicological and ecotoxicological characteristics

This is a food product and is safe for use when used according to the manufacturer's instructions.

c) Immediate, delayed and chronic effects from short-term and long-term exposure

This is a food product and is safe for use when used according to the manufacturer's instructions.

d) Numerical measures of toxicity (acute toxicity estimates)

No information.

12. ECOLOGICAL INFORMATION

a) Ecotoxicity (aquatic and terrestrial): No information.

b) Persistence and degradability: No information.

c) **Bioaccumulative potential:** No information.

d) **Mobility in soil:** No information.

d) **Other adverse effects:** No information.

13. DISPOSAL CONSIDERATIONS

- Product: Observe local and national environmental regulations on disposal.
- Packaging: Disposal of the packaging as applied to the product.

14. TRANSPORT INFORMATION

- The product is not covered by international regulation on the transport of dangerous goods (IMDG, IATA, ADR/RID).
- Transportation must be dry, clean, having roof covering and non strange smelt can affect to food quality.

15. REGULATORY INFORMATION

Shall comply with:

- Law on Product and Goods Quality No. 05/2007/QH12.
- Law on Food Safety No. 55/2010/QH12.
- Decree 43/2017/ND-CP dated april 14, 2017 on goods labels and Decree No. 111/2021/NĐ-CP amendments to some articles of government's Decree No 43/2017/ND-CP dated april 14, 2017 on goods labels; Circular 32/2017 / TT-BCT specifying and guiding the implementation of some articles of chemical law and decree 113/2017 / ND-CP dated October 9, 2017 of the Government detailing and guiding the implementation of some articles of chemical law.
- Other relevant legal documents.
- OSHA Hazards: No known OSHA hazards.
- California Prop. 65 Components: This product does not contain any chemicals known to State of California to cause cancer, birth, or any other reproductive defects.

16. OTHER INFORMATION

Date of compiling slip (dd/mm/yyyy): 25/08/2025

Latest date of modification, addition (dd/mm/yyyy):

Name of compiling organization or individual: VEDAN VIETNAM ENTERPRISE CORP., LTD

Note for reader:

The information contained herein is based on the present state of our knowledge. It characterizes the product with regard to the appropriate safety precautions. It does not represent a guarantee of the properties of the product.
